Dear 5th District Convention Delegates,

Many are wondering how we can and should move forward with our convention in response to EO-55, where the Governor instructed everyone to "stay home".

Lots of work is being done to ensure our convention and that every delegate has their voice heard. However, delegates and Republicans from across the 5th may have prospective solutions they'd like to share with us. We want to hear your thoughts.

So, I have set up an Ad Hoc Committee to receive, vet, and submit the most promising ideas to me and our leadership team.

Your ideas need to be submitted to any ONE of the committee members listed below **before 6pm Tuesday, April 7th**.

The committee will report to me and the District Committee by 9pm April 9th.
